Planned for October 7, 2009

Councilmember Kansen Chu and the Berryessa Union School District are sponsoring an evening forum to discuss our neighborhoods and how we keep them safe for our children. Invited speakers and guests include:

Kansen Chu, San Jose City Councilmember, District 4
Marc Liebman, Superintendent Berryessa Union School District

Steve Lopez, Principal, Piedmont Middle School
Joann Vaars, Principal, Sierramont Middle School
Traci Williams, Principal, Piedmont Hills High School
Tracey Firestone, Librarian, Berryessa Branch Library

This is a forum to share what is being done to keep your children safe, discuss gang and other safety related issues in our community. While we are lucky to have a low crime rate and gang involvement in our community, we still need to understand what is happening and how we can, together, keep our community and children safe. You are encouraged to attend and be part of this forum and discussion.
